*Mt. Airy RU Restart*

**MAY GOD BLESS YOU IN 2019!!** I thank the Lord for souls saved and ladies who have a new walk with the Lord!! God is so good and I am so honored to get a front row seat and be a part of it all!

## Ministry Opportunities

In September through December God allowed me to minister through counseling almost daily with people who were in life crisis'; speaking to a number of ladies' special

events (including Christmas banquets); teaching ladies' Sunday school classes; speaking in special Reformers Unanimous Recovery (RU) rallies, open houses, challenge Sundays, third talks (testimony), second talks, observation/encouragements; counseling of lady church leaders and Pastor's wives; leading ladies in church soul winning; preparing the building for ministry at Atlantic Coast Baptist College (ACBC) for fall semester; preparing and delivering devotions and ladies chapel messages at ACBC; presenting and speaking/teaching in church services and missions conferences; assisting Pastors and their wives in planning ladies' events; participating in personal soul winning and blessed with the fruit thereof!

## FROM TRAGEDY TO

TRIUMPH with our

president, government officials, and health officials declaring drug abuse and addictions to be at epidemic levels, addiction recovery ministries like RU are needed now more than ever. When an RU chapter closes it often does not reopen, but this fall Pastor Zane Fishel of the Temple Baptist Church in Mt. Airy, NC had us do a challenge Sunday in both services which resulted in recruiting new RU workers. The following Friday we led the rare RU restart with 31 followed by Saturday's training of 16 RU workers with 3 saved! To God be the glory!!

**PRAISE** GOD FOR ALL OF THE ABOVE!!
